In order to help protect your child's health, your consent and written authorization are required when it is necessary for your child to receive non-prescription, over the counter, medicines in the Kimberly School District. **New authorization forms are required every year at the beginning of school, or whenever the dose or directions change.** It is your responsibility to provide all medicines to be given at school. Each medicine must be in an appropriately labeled original container from the pharmacy or healthcare provider's office. Medicine will not be stored in the office over the summer. A parent/guardian must pick it up on the last day of school or it will be destroyed. In addition, we cannot administer expired medication.

I understand that it is my responsibility to purchase and supply this medicine.
