RE: Monthly Report

PROFFESIONAL DEVELOPMENT:

- Our January **Early Release Day** was used for building level professional development needs. Both elementary schools began training with Dr. Kristy Brinkerhoff on Social Emotional Learning while both secondary level schools worked on further developing their RTI or Tier Two systems. The Special Education department received instruction on upcoming ISAT testing.
- Kimberly School District again joined efforts with Buhl, Castleford, and Richfield School Districts to provide a day of professional development that focused on **Taking Care of Our Teachers**. We are happy to have Valley School District join us as well this year. The Teacher Wellness event will take place on January 20 at CSI. Our Keynote this year, is Sam Glenn. Teachers will also have the choice to attend three different breakouts that will teach an element of wellness.
- Our **Kimberly Core Teacher Team**
 - Year **One** participants are working on their on-line course and Idaho Core aligned units. Teachers met for a face-to-face training on January 15 that focused on evaluating curricular materials and teacher leadership.
 - Core **Five** teachers are working on their on-line course-work, beginning to study instructional design.

CURRICULUM:

Nothing to report this month.

TESTING:

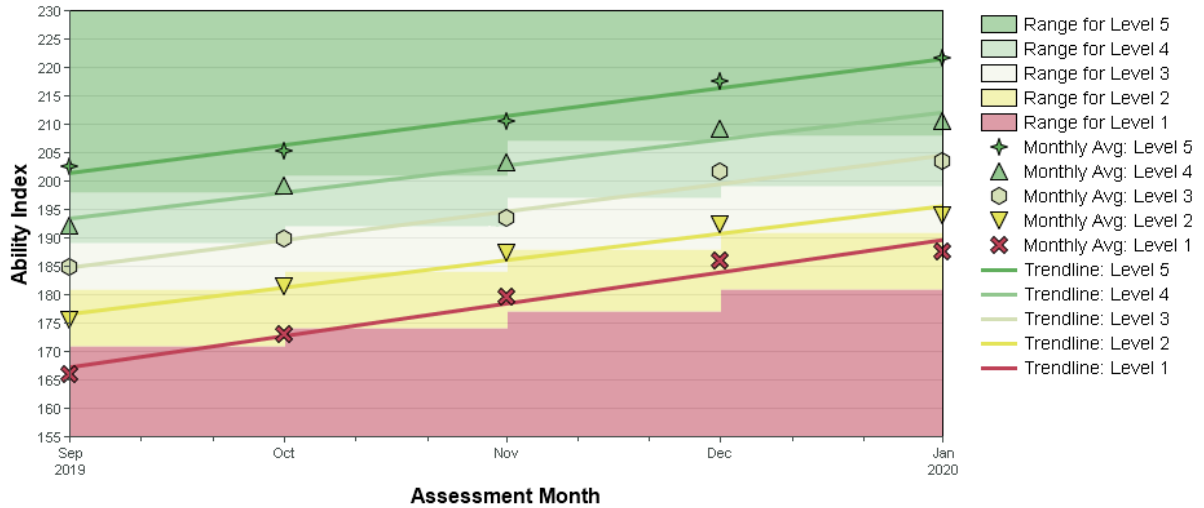

- **Star Testing** for grades 1-12 is in progress. The testing window will close on January 17. Results will be reported next month.
- **Istation Testing (IRI)** Elementary students continue to take monthly assessments. The data is discussed in teams to determine instructional implications. Below are Skill Growth by Level reports.

at Kimberly School District 414 - 2019/2020 School Year

3rd Grade - Overall Reading

- Preparations have been made for **NAEP testing** at both elementary schools in February. Letters to the parents of selected students will go home on January 21st.
- The elementary schools and middle school are utilizing the **Interim ISAT block Assessments** to help determine how to prioritize instructional goals for the second semester.

GIFTED & TALENTED:

- An enrichment group focused on writing will begin January 24th.
- Enrichment and check in course will start for second semester at the middle school during advisory.
- Two more students have been identified as possibly needing gifted and talented services.
