Safety Busing

- Helped with ability to social distance
- Lower rider counts which effects state CAP.
- Behavior and discipline problems decrease
- Minimal phone call complaints.
- Older students walking and riding bikes.

Ridership counts

To/ From School

Bus Rules

1. **Stay Seated** --Nose and toes forward
2. **Respect Yourself-** Keep head, hands, and voices inside the bus
3. **Respect Others-** Keep hands, objects, and unkind words to yourself. Look to Driver for directives; Talk Quietly, Load and Unload bus orderly.
4. **Respect Property-** Keep area clean; Avoid seat damage and tampering with emergency exits.
5. **Discard Food, Gum, and Drink-** Keep all food and drink in pack until you are off the bus. *Water may be approved by the driver.
6. **Be Accountable-** Student will enter/exit the bus at their designated stops. Respective office/school administrator may grant permission for rider to exit the bus at school loading/unloading zones.

Transportation Goals

- Federal Driver's license Requirement (MAP 21)
- Transportation for RISE charter; start times, crossing zone boundaries, route software (ridership counts)
- Hire/Train Driver's for fully open schools FY22.
- Demonstrate excellence in State Inspection FY22
- Continue upgrade of bus fleet.
- CAP training
- Bus Loading Zone at the HS
