

Vital items to close the the school year.

Teachers are looking at their curriculum maps and pacing calendars in making decisions.

- The essential material will be given, but not at the same depth
- Teachers are wrestling with what is given and what is cut. There are many factors that go into this decision.
- Teachers are still giving quizzes/tests
- Teachers are being flexible with late/missing assignments
- Teachers must accept and plan for providing more remedial education next year, than in previous years.

Grading for FY 19-20 Quarter 4

- Teachers will keep the traditional ABCDF grading scale
 - Students/Parents are familiar with the scale
 - Sends a more positive expectation message vs. Pass/Fail scale
 - Canvas syncs to PowerSchool with ABCDF scale
 - If we have to look at a Pass/Fail scale for select students, we are open and flexible to that possibility at the end of the year.
